D3 SYSTEM

“New technology for concrete, without the hassle of a coating”

*Innovative Concrete Systems offers new technology for concrete, without the hassle of a coating. There is no need to cover your concrete or apply topical coatings any longer. **NO MORE WAXING!***

With our unique system your concrete will be durable, beautiful and will Endure the Test of Time.

If you are looking for the best product on the market that will save money and look great for years to come..... this is it.

Utilizing the 1st Patented Diamond Concrete Polishing System, RetroPlate System, we warrant your floor to never peel, bubble or blister. Our system combines beauty and durability that revitalizes gray concrete into a vibrant showcase of art. Enjoy the affordable solution for beauty, utility and durability.

Whether new or existing concrete has carpet, linoleum, etc...we can transform your surface into a beautiful, durable work of art that never needs replacement. Our system works successfully with bare concrete, acid stains, dyes, integral color, and dry shake hardeners.
